- Soft Skills: Communication, Collaboration, Problem-Solving, Adaptability, Time Management, Attention to Detail

Projects

Movies App | LINK

- Developed a cross-platform React Native app for discovering and tracking movies
- Integrated with TMDB API to fetch and display now playing, upcoming, top rated and popular movies
- Implemented dynamic search feature to find movies by title
- Built a persistent watch list using AsyncStorage with add/remove functionality
- Designed a tab based navigation system to render movies by category
- Added fun quiz game with timer

Portfolio | LINK

- Designed and built a fully responsive portfolio to showcase projects and skills with Next.js
- Implemented smooth scroll animations, including parallax effects and element fade-in on scroll using framer-motion
- Added "scroll to section" functionality for intuitive navigation
- Enhanced user experience with interactive hover animations for buttons and links
- Focused on clean modern UI and performance across devices

Achievements

- Placed on the Dean's Honour's List with a 3.98 GPA

Languages

- English – Fluent

Availability

- Flexible availability, including evenings and weekends
- Legally eligible to work in Canada
